Introduction

Hello! My name is Sreevenkatesh, and I am a user experience design proffesional. I am currently doing research on book lovers for a project, and looking to understand book lover's reading experiences, like the ways to find new books, their reading habits, and the methods to manage their reading list (if there is any).

Screening question: Do you read books regularly? (Expecting Yes)
May I take you 10-15 minutes to ask some questions? (Expecting Yes)
Would you also like to give me the consent to record this conversation? I will only use it for my own reference (Expecting Yes)

Thanks! Please let me know at any time if you feel unclear with any questions I asked.

Questions

1. Tell me about your reading experience with your favorite book.
2. Tell me about how you manage your book storage.
3. Tell me about some of the frustrating moments you had when managing your book storage.
4. Tell me about how you typically find a new book to read.
5. Tell me about how you decide if you are going to read a book.
6. Could you please quickly walk me through how you read a physical book?
7. Could you please quickly walk me through how you read an e-book?
8. Tell me about a pleasurable reading experience you had.
9. Tell me about a frustrating reading experience you had.
10. What would you normally do after finishing a book?
11. (Demographics) May I know your age and occupation just for a reference? (age group is also fine if you would prefer)

Concluding Notes

Thank you so much for participating! Really appreciate your time.
